In the matter of proceedings for liquidation by arrangement or composition with creditors instituted by Charles Webster of Zeehan in Tasmania Miner

I Charles Service Page of Zeehan aforesaid Solicitor make oath and say as follows :-

1. That I was duly appointed proxy for Peter Wade of Zeehan a creditor of the above mentioned debtor
2. That I attended the meeting of creditors of the said debtor held at the office of Mr A Banks Smith Solicitor Zeehan on Thursday the 24th day of January instant and found upon my entering the room that the only persons present were the said A Banks Smith the said debtor and myself
3. The said A Banks Smith stated that he held two proxies for two of the creditors of the debtor namely Lovering and Burr ridge and proposed as proxy for one of the creditors that he himself be appointed chairman and seconded the resolution as proxy for the other creditor which resolution he declared to be carried
4. The said A Banks Smith handed in the debtors statement of affairs showing thereon unsecured creditors estimated at £58-13-0 and assets consisting of furniture &c estimated to produce £30-0-0
5. Shortly after the proceedings commenced Delaney of Zeehan ^{col} ~~Store~~ Storekeeper entered the room but failed to produce any affidavit in proof of his debt
6. The said debtor in reply to my question said that he could not pay any composition to the creditors
7. The said A Banks Smith as proxy for Burr ridge moved and as proxy for Lovering seconded the resolution following :-
" That the debtor be granted his discharge forthwith "which resolution he declared to be carried and in reply to my question replied that there were no other resolutions , and that that was all , and the meeting thereupon closed and the said Delaney and myself thereupon left

Charles Page

the room

8. No resolution ~~other~~ other than the ones above mentioned was either moved or passed at the said meeting notwithstanding the provisions of Rule 230 of the Bankruptcy Act 1870

9. I am advised and believe that the said Lovering is employed by a person named or known as Nils Persson as manager of a drapery shop at Zeehan and that the debt alledged in the affidavit of the said Lovering to be owing to him by the said debtor is a debt due and owing by the said debtor to the said Nils Persson and not to the said Lovering

10. I believe that a the assets as shown in the said statement of affairs if realized would pay a dividend to the creditors
