In the Supreme Court of Tasmania

In the matter of Alfred Palmer
of Tunnack in Tasmania Farmer
a Bankrupt

Memorandum - That I Alfred Palmer the above named Bankrupt being sworn and examined upon my oath say that the statement of accounts filed on the eleventh day of December 1906 with the proceedings in the above matter containing four sheets of paper the first sheet whereof is marked with the letter "A" is true and that the said statement of accounts do contain and is a full and true disclosure and discovery of all my estate and effects both real and personal whatsoever and whosoever - And I do further say that at the time of this my examination I have delivered up to the Trustee of my property all such parts of my goods wares and Merchandises money estate and effects and all books papers and writings relating ^{thereto} as are now in my custody possession or power - And I further say that I have not removed concealed embogged or destroyed any part of my estate real or personal nor any books of accounts papers or writings relating thereto with an intent to defraud my creditors. At the time of my bankruptcy I was carrying on business at Tunnack as a farmer. I had been farming at Tunnack for about thirteen years before my bankruptcy. My father died about twenty years ago. I have been working for my mother since the death of my father. My mother died about -

1
ten or eleven years ago. I know that I have a
J.R. life interest in ³⁰⁵100 acres of land under my father's
will. I have a life interest in one third of this.

There are three dwelling houses upon the property. Each
of my other two brothers has a like life interest in
the property to myself and each occupies one of the
dwelling houses. The 305 acres is mortgaged. I can't
say who made the mortgage. The mortgage is
to the Nat-Nat Life Assn for, I think, £300. The rate of
J.R. interest is 4%. Since my mother's death I. ~~Garrett~~ ^{Palmer}
the trustee receives £8 a year from each of my brothers
and myself. Some years I have paid this amount
to the Trustee & some years I have paid it to Mr
Heyworth & the other £1 was used for rates. I have
15 acres of land at Whaleyford some of it is cultivated.
There is a mortgage on this for £20 to the Tasmanian
Finance Coy. I can't say to what date the interest
on both properties is paid up. Under my father's will
I don't know that I had any interest in the personal
property. The personal property was sold I understood
to pay my father's debts. I can't say how much
J.R. of my ¹⁰⁰100 acres is under cultivation but I ~~should say~~
J.R. ~~neatly~~ for the property has never been divided. The
property is divided by fences for occupation purposes.
There is a wooden six roomed cottage upon my
100 acres and a stable built by myself. I am
now working at Boakeford for Chas Byrne. I have
been working for various persons from 18 July last.
Since I have been away from home the 100 acres
J.R. ^{estate} occupied by me has been occupied by my wife
& family. She rents the property from the trustee
before I went out to work. She pays £8 a year &
taxes which she pays to the trustee. She did not
arrange with me to rent the property. Mr Palmer

as far as I know rented the property from the trustee. I don't know what stock my wife has on the property I have none. I have no stock farming implements money or other effects beyond what is stated in my statement of affairs. I cannot say if my wife has any stock or farming implements. I have to support my wife and children. The oldest child is about 3 years old there are three children. I don't know what stock my wife is running on the land. There are four sheep running on the land belonging to Scott. Mr Roberts

JR lent me £20 at the Puattak Sales about. I think this was longer than fifteen months ago. I did not say that I wanted the money to pay for a mare and foal I had bought from a man named Smith.

Mr Gibson was not present when I received the loan. I did not mention anything about a mare & foal when I borrowed the money. When I ~~for some~~ Mr Roberts lent me the money I had some sheep at the sale and I told him I was pushed for money & wanted the money for the sheep he was selling. Mr Roberts then lent me £20. Mr Roberts applied the proceeds of the sale of the sheep to an account of about £12 or 13. I received no balance from the sale of the sheep. I owe him the balance of my account still. I did not mention a man named Smith when I interviewed Mr Roberts. I merely told Mr Roberts I was pushed for money. If Mr Roberts says that I wanted the money to pay for a mare & foal I purchased from Smith it is not true. And if Mr Gibson makes the same statement that also is not true. I had not purchased a mare & foal at all at this time. I know lots of Smiths at different places
