IN THE MATTER of Malcolm Mazengarb of

MEMORANDUM : That I MALCOLM MAZENGARB the above named Bankrupt being sworn and examined upon my oath say, that the Statement~~s~~ of accounts filed on the *eight* day of *July* 1909 with the proceedings in the above matter containing *two* sheets of paper, the first sheet whereof is marked with the Letter A, is true, and that the said statement of accounts do contain and is a full and true disclosure and discovery of all my estate and effects both real and personal whatsoever and wheresoever. And I further say that at the time of this my examination, I have delivered up to the Trustee of my property all such parts of my goods wares and merchandises, money estate, and effects, and all books, papers, and writings relating thereto, as are now in my custody, possession, or power. And I further say that I have not removed, concealed, embezzled, or destroyed any part of my estate, real or personal, nor any books of accounts, papers or writings relating thereto, with an intent to defraud my creditors.

*I have traded for years as a Butcher and small goods man at Zeehan for years.*

*W. A. Atkinson, Butcher supplied me with meat and cattle for years.*

*Mr. Atkinson supplied me with goods since until May 1906. - about 2 years ago -*

*He discontinued to supply me with goods for several reasons - prices too high &c.*

*The Bills I gave him were dishonoured  
There were about £135. owing at this time*

to Mr. Atkinson.

I had been then dealing with Oscar Bergman.

I executed an assignment to Bergman in August 1908

HR I then, was then indebted to Bergman ~~over~~ in the sum of £384.

I assigned my Book debts to Bergman to secure the £384.

HR Bergman took it said he would send a clerk to take a statement of Book debts next morning: the statement was taken.

I continued to carry on the business in the usual way.

I contracted liabilities in connection with the business and collected debts, banked the money which I received.

Bergman's debt increased to £1060.

Atkinson made a levy for £35 on the 1st May last.

Bergman levied for £69 a few days late. Bergman had taken charge of my books on 1st May last.

My Book debts amounted to or valued at £3000.

Bergman has collected about ~~£200~~ £250.

Receipt takings for one month vary from £11 to 15/- per day.

My total expenses were about £44 per month.

My rent was not paid on 10<sup>th</sup> May last  
Between £9- or £12. were owing.

There was one month's wages due to 3 of  
my Employers.

I purchased a portion of the Cheekmoot Estate  
from the Government

I paid the Government £30 odd pounds in  
all - three instalment were not paid I made  
default.

No one was interested with me in this land.

My wife own no property in Teekah. She bought  
it from the Government. This land is built upon.

She bought it with her private money which  
she had before I was married and other money  
she received from her Father's Estate at Port Llynnet-  
Kilmartin's Estate. She still receives money from  
this Estate.

The Policeman came before Bergman to take possession  
on behalf of Mr. Atkinson. Policeman seized £5 worth  
of meat.

Mr. Bergman took the £5. when meat was  
sold.

I had no cash on hand when Policeman arrived.

J.R.

My takings on subsequent days were

I took no money after 1<sup>st</sup> May last.

Bergman's debt in May last was £1000. I have had £600 worth of Meat. I could not say what profit I made on this Meat -  
Have paid Bergman something on account.

I have not kept Race Horses for over 3 years.

I kept contra accounts.

Bergman did not interfere with my collecting the debts.

The first time Bergman took possession was 1<sup>st</sup> May.

No body ~~else~~ except my wife Bergman and Schator knew of the assignment.

No notice, to my knowledge was given by Bergman to my debtors.

No notice was given to my creditors nor did I tell them.

I don't know the assignment was known by Public before 1<sup>st</sup> May.

HR

No arrangement was made that Bergman ~~when~~ was to take charge by me. The Bailiff was in on behalf of W. Atkinson before Bergman came.

I do not know why Atkinson lived.

HR

My Book debts in August 1908 were ~~about~~ over £700. in the one ledger. The total would be over £2000.

My other assets, were worth about £300.

My Book debts were my principal assets.

all the fittings have been sold for £100. odd.

I have obtained goods from my creditors since the assignment. They have not all been paid for.

I did not consider I was carrying on business for Bergman.

J.R.

I collected the debts <sup>until</sup> in May last. and banked the money.

Bergman took no risks - I was responsible -

J.R.

The reason the assignment was given to Bergman was that ~~he~~ would not supply me without it.

My Book debts at the present time are worth about £3000.

They should realize £2000. odd.

J.R.

Bergman's debt was £1000 on 3<sup>rd</sup> May. I think he has since received ~~£200~~ £250. odd.

Shown in open Court this  
26<sup>th</sup> day of July 1909

Hector Ross  
Registrar

Mr Bergman will pay me the balance due, if any.

The reasons of my Bankruptcy were ~~the~~ caused by the debts of Atkinson and Bergman.

Bergman's levy was £966. and that was the act of Bankruptcy.
