The MAC is in town

You're invited to the Mobile Antarctic Classroom's 2024 Festival Tour!

We're running sessions in locations around Tasmania, featuring Australian Antarctic history and science information, artefacts and activities.

Antarctic history and science activities

Whether you're in kindergarten or retired, we've got something for you!

Look out for the MAC bus, as it tours regional Tasmania. Play with magnets, pretend penguin eggs, and polarising filters; look at replica and genuine Antarctic artefacts; take a photo in our snow tent; and chat to our staff about your Antarctic history and science questions.

AUSTRALIAN ANTARCTIC FESTIVAL

22-25 AUGUST 2024 • HOBART TASMANIA

Don't miss out on this opportunity

Find out more information and book a ticket online at mawsons-huts.org.au/mac-aaf-tour

The Variety Mobile Antarctic Classroom tours schools throughout the year, for more information please see mawsons-huts.org.au/antarctic-bus
